INFORMATION AND POLICIES

FOOD & BEVERAGE MINIMUMS

When booking your group reservation, please note that dates come with a food & beverage revenue guarantee. Minimums vary based on the day of the week and time of the year, and do not include service charge, sales tax, or gratuity.

EVENT GUARANTEES

We will need to receive your final guest commitment one week prior to your event(s). Should this number not be made available at the requested time, the originally established attendance will be used. The actual attendance or the final guaranteed guest count will be charged, whichever is greater. If the guest number increases the day of the event, we will do our best to accommodate.

Group menus and beverage choices will need to be selected 2 weeks in advance. This will guarantee food and beverage item availability and printing of the menus for the day/night of the event as needed.

TAX AND GRATUITY

Food and beverages are subject to a 7% sales tax. The amount of gratuity is solely up to you. We recommend 20% of the food and beverage total. A card will be supplied, for your convenience, with the 20% amount of the total written in, and will be presented with the check. Other fees may apply depending on the specific details of the event.

CANCELLATION

Cancellation 7 days (M-F) prior to the event required. Failure to cancel will result in a charge of 50% of the food and beverage minimum to the credit card given. Larger events may have different cancellation conditions and a 25% deposit may apply.

FINAL PAYMENT

We do not provide separate checks for group events. Upon completion of the event, one check will be prepared with all food, beverage, incidental charges and sales tax. Payment of the entire guest check is due upon completion of the event. Niche accepts cash and all major credit cards. Loyalty points cannot be accrued on large group events.

BAR PACKAGES

MA state liquor laws dictate that we are not legally able to discount or package any liquor sales to our customers. We have created a few options to help control costs while providing beverage service to your guests.

OPEN BAR

An open bar entails one tab being kept for all drinks ordered throughout the event with no restrictions. The beverage tab will be combined with the food bill at the end of the event and presented to the host for payment.

LIMITED OPEN BAR

1. Tab is limited to beer and select wine only, other drinks are the responsibility of the guest.
2. Tab is limited to a select list of beverage options, others will be the responsibility of the guest.
3. Tab is open to a predetermined cost ceiling, where drinks beyond that point will be the responsibility of the guest.
4. A certain number of drinks is allotted to each guest, with drinks beyond that allotment the responsibility of the guest.

CASH BAR

A cash bar entails that all beverage purchases are the responsibility of the guest. Cash or credit card payment is fine.

CONTROLLED PACKAGE OPTIONS

1. **Sangria or Punch greeting:** greet each guest with a glass of our signature sangria or a housemade punch at a cost of \$7 per person.
2. **Beer or Wine Greeting:** each guest is greeted with a select beer, wine, or champagne (or the option to choose). Cost based on alcohol served.
3. **Wine with Dinner:** each guest is served two glasses of wine with dinner from up to four choices. \$15 per person with house pour, price will increase with higher priced wines.
4. **Champagne Toast:** each guest is poured a modified portion of champagne at a designated time for a speech or toast.
